Jeff Muller
General Manager
Pumpkin Ridge Golf Club
12930 NW Old Pumpkin Ridge Road
North Plains, OR 97133

Dear Jeff:

On behalf of the Korn Ferry Tour, I'm writing to support the nomination of Eric Feldhusen for GCSA Superintendent of the Year.

The Korn Ferry Tour has a strong history in Portland, and our events at Pumpkin Ridge Golf Club have always been remarkable. That statement is supported by the consistent player feedback we received about the quality of the course, and in particular, the immaculate conditions of the greens. Pumpkin Ridge GC is known for having incredible green complexes, and the purity and pace always solicited positive remarks from our members. That being said, what always impressed me was how Eric and his hard-working and experienced team were constantly striving to find ways to improve the golf course. They were always proactive in their approach to diagnose potential issues and work ahead to prevent them.

Eric has an outstanding attitude and is a great leader for his staff. He takes immense pride in his role as superintendent of one of the most picturesque courses. He exudes passion, and it's great to see him being acknowledged for his skills and expertise. I'm glad that others are getting to see his impressive work and exemplary attitude, as well.

Best regards,

A handwritten signature in cursive script that reads 'Alex Baldwin'.
