Brief outline of Nominee's past employment history

Robert Kennedy is the superintendent of Langdon Farms Golf Club. Prior to his time at Langdon he spent a total of 9 years at Suncadia starting when he was in high school. While at Suncadia he realized his passion for this industry, and graduated from Walla Walla Community College. His internship was spent in Utah at Promontory Ranch Club, and after graduating he became the assistant superintendent at the Rope Rider Course at Suncadia. Robert has been at Langdon for the past five years since leaving the Rope Rider Course.

Basis of nomination (i.e. significant accomplishments, work performance, service to the profession, etc.)

In a time when finding decent employees, let alone good assistants, Robert Kennedy has stood out as an assistant who should be recognized. Robert is a hard working individual who understands the golf course industry. He understands that there are certain times of the year that you need to plan on living at the course. For the last five years he has shown continual growth, understanding, and confidence in what it means to be an assistant superintendent, and what it means to become a superintendent one day. Nothing showed that more than when Langdon did a complete bunker rebuild in the fall of 2019. He helped take charge when irrigation needed moved, the crew needed taken charge of, and more sod than I would like to remember needed laid. Robert Kennedy deserves recognition for his hard work and his ability adapt to an ever changing environment as an assistant at Langdon Farms Golf Club.
