Brief outline of Nominee's past employment history

Assistant Superintendent -Oregon Golf Club 18 years

Basis of nomination (i.e. significant accomplishments, work performance, service to the profession, etc.)

Scott Ohleiser performed tremendously during one of the most challenging years of all time. The year started with a major ice storm on February 15th. The entire course was devastated with hundreds of trees damaged or taken down by heavy ice. The clean up process alone took 6 months to complete. On June 15th we were told that the LPGA televised Portland Classic would be held at our golf course in 90 days. Two weeks later, we all endured the week long heat dome of multiple days of 115 plus temperatures and wilting poa. After 3 months of zero rainfall and intensive preparation for the coming TV cameras, the Superintendent left for 5 days to attend his daughters out of town wedding, and abandoned Scott to manage the course during the tournament. On Saturday of the LPGA event, the 90 day drought ended with the skies dumping 2 inches of rain in just a few hours, washing out the 3rd round of the tournament. Scott led his crew in an around the clock effort to put the course back into top condition. The tournament finished on Sunday and Scott was congratulated by all for his Herculean efforts in making it happen. Scotts' over and above efforts in 2021 make him well deserving of this Assistant Superintendent of the Year award.
