#### Brief outline of Nominee's past employment history

Kyle has been the Superintendent at Awbrey Glen Golf Club since January 1, 2017. Kyle was previously the Superintendent of the Fazio Course at Pronghorn Resort before joining the team at Awbrey Glen.

#### Basis of nomination (i.e. significant accomplishments, work performance, service to the profession, etc.)

Kyle is an outstanding Superintendent. Not only has Kyle made great improvements to the condition of our golf course, he is adaptable, flexible, dependable, committed, professional, and is a very hard worker. Kyle takes great care of his team; he stands up for them, holds them accountable, shares reasons for why individual practices are completed, trains them to build their experience, helps them with career advancement. One employee recently shared that during this first days on the job last year, the employee thought he was getting special attention from Kyle due to his career in golf management. As it turned out, the employee realized Kyle treated all of his employees that way, which led to his employee sharing this story with the club's General Manager. Kyle has included his crew members in educational opportunities both locally and regionally. Kyle cares about the career growth of his crew, and notifies them of job openings and works with them to improve their skills, experience and also helps with resumes and interview preparation.

Beyond Kyle's crew, he is very supportive of the club in general. Kyle plans ahead, works very well with other departments and avails his crew for clubhouse tasks when possible.

Kyle has been tackling golf course projects in his time at Awbrey Glen. This includes planning for and managing the replacement of over a mile of cart path last spring. His crew worked with the contractor and golf course architect to remove trees, build maps for sharing with the membership, rebuild a tee box due to path changes, and more. He did this while managing remodeling nine tee boxes. Over a mile of cart path, nine new tee boxes, planning for remodeling nine bunkers in 2024, and still keeping the golf course in top condition.

Kyle is a great superintendent - but he is an even better person. Thank you for considering Kyle as Superintendent of the Year!
