Basis of nomination (i.e. significant accomplishments, work performance, service to the profession, etc.)

I have worked with Jason for over twenty years at The Reserve Vineyards and Golf Club. His commitment to the facility, his staff, and to the high standards he has set for his work are unmatched. Managing a 36-hole facility that rotates its course designation between public and private play comes with it's own unique set of demands and expectations. The consistent playing surfaces that Jason and his staff provide on a daily basis are on the top shelf of clubs in the Pacific Northwest. The Reserve is proud to have Jason's resolve, leadership, and consistency as part of its team!
