Brief outline of Nominee's past employment history

Brian has worked at Grants Pass Golf Club since the mid 80's. He began working here as a night waterman before working his way up through the ranks of foreman, irrigation technician, and now assistant superintendent.

Basis of nomination (i.e. significant accomplishments, work performance, service to the profession, etc.)

Brian brings an excellent work ethic and attitude each and every day. He is extremely reliable and his knowledge of the property is nearly unmatched. He maintains a great working relationship with everyone on the crew and they know they can trust his judgement if they have any issues. Since I started in my role as superintendent last May Brian has been an indispensable resource for me. He has a remarkable memory for the cultural practices and history of the course that allowed me to hit the ground running. He is also incredibly open minded about new methods of course maintenance and new ideas. He has taken on the challenges of having a new superintendent eagerly and helped me get up to speed with how the GPGC maintenance department. I could not recommend him more heartily for this award.
