OGCSA President 2019-2021

#### Basis of nomination (i.e. significant accomplishments, work performance, service to the profession, etc.)

Shane is a well known figure amongst the OGCSA and for good reason. Personally having worked with and for a few previous Superintendent of the Year winners I can say without hesitation Shane is very deserving of this award. He has faced many challenging moments the past few years and 2025 in particular dealt some big hits and he still managed to be a great leader, serve and represent the OGCSA while consistently delivering incredible playing conditions for his membership. Please see my full nomination attached and I hope this is the year he receives this award and acknowledgment from the organization that he dutifully serves with great pride and enthusiasm.
