Brief outline of Nominee's past employment history

Coulee was assistant at Crosswater in Sunriver, before taking his role at River's Edge. He has held assistant roles at both Tetherow and Awbrey Glen in Bend.

Basis of nomination (i.e. significant accomplishments, work performance, service to the profession, etc.)

Coulee began his tenure at River's Edge at the start of 2025. He made a significant impact on not only agronomy at the facility but the culture and leadership. His significant impact was not only felt by our patrons but the staff in all departments. He faced an uphill battle inheriting years of deferred maintenance, he combatted those challenges head on, with not only hard work and perseverance, but with his experience, knowledge and understanding of our climate both in the off and peak seasons. We at River's Edge are fortunate to have a true professional leading the charge as the facility re-emerges as Central Oregon favorite.
